Elks Install New Officers

Howard Cathrea (L) is shown here being installed as Exalted Ruler of the Drayton Valley Elks Lodge at a ceremony in the Elks Hall, Friday evening. Bob Cowan, District Deputy Grand Exalted Ruler (R) performed the installation ceremony.

Surveyors Work At Airport Site

Surveyors from the Federal Department of Transport arrived in Drayton Valley Monday to begin preliminary work at the proposed airport site north of town.

The town is still awaiting formal approval of the project but the airport committee has expressed confidence in the outcome, basing its conclusion of the fact that the Treasury Board has authorized the Department of Transport to proceed with topography and soil tests.

Residents of the community are reminded of the public meeting to be held in St. Anthony's School at 8:30 p.m. on Thursday, November 5th. Facts about the proposed industrial airport complex will be made available and citizens will be given an opportunity to ask questions and express opinions.

PAPER EARLY NEXT WEEK

Due to the Remembrance Day holiday next Wednesday, November 11th, publication of The Western Review will be advanced to Tuesday, November 10th.

Correspondents and advertisers are asked to have material reach us as soon as possible as the deadline for all copy on this occasion will be Monday noon.

Receipt of copy before the weekend would be greatly appreciated.

Breton Cadet Corps Wins Shield for Top Alberta Corps

On October 16 in the Breton Community Hall a banquet supper and recognition for the Breton Cadets was held and very well attended by guests and parents. Mr. Lorne Sorenson acted as master of ceremonies for the evening.

After supper, guests at the head table were introduced as follows: Lyle Oulton and Mrs. Oulton, Lt. Ed Krukowski, Mr. and Mrs. Arnold Foster, Lt. Farrell and Mrs. Farrell, Capt. W. Wynnk and Mrs. Wynnk, Capt. E.H. Morris, Cpl. Larry Knight and Mrs. Knight, Range Officer Lee Wing and Mrs. Wing, Mr. Lester Dominey and Mrs. Grant.

Mr. Foster of the Warburg Legion, was called upon to present certificates to the cadets who attended Camp Shilo Manitoba.

Also Mr. Dominey of the Alder Flats Legion presented certificates to the Alder Flats Cadets who attended Camp Vernon, B.C. Greg Hayduk received the Rookie Award for first year Cadet in Breton Cadet Corps presented by Mr. Dominey.

Capt. Morris then presented Capt. Wynnk of Breton Cadet Corps with a shield for the Top Corps in Alberta in the 1969-70 training program. The cadets also received $50.00 from the Lord Strathcona Fund for efficiency award.

Mr. Sorenson called upon all the Cadets to individually introduce themselves.

Capt. Morris of Edmonton was called upon again for a few words and he illustrated the meaning of Cadet training. He also praised the Breton Corps and its achievements for this year and during the 15 years since its formation.

Capt. Morris also mentioned the Lord Strathcona fund and its purpose. At the close Capt. Morris gave a vote of thanks to the Breton Elks who sponsored the corps and those who helped during the year.

Capt. Wynnk then gave a vote of thanks to Capt. Morris of Edmonton, the Breton Elks, and the civilian training officers, and Cpl. Knight of the Breton RCMP and the Warburg Legion and Auxiliary and the Alder Flats Legion and Auxiliary.

Cadet Wesley Oulton spoke on behalf of the cadets.

Lt. Lyle Oulton also thanked Ted Grzyb and his lunch committee of the Breton Elks, also Mr. Walter Baynes was given a vote of thanks.

F.G.A. Invites Game Inquires

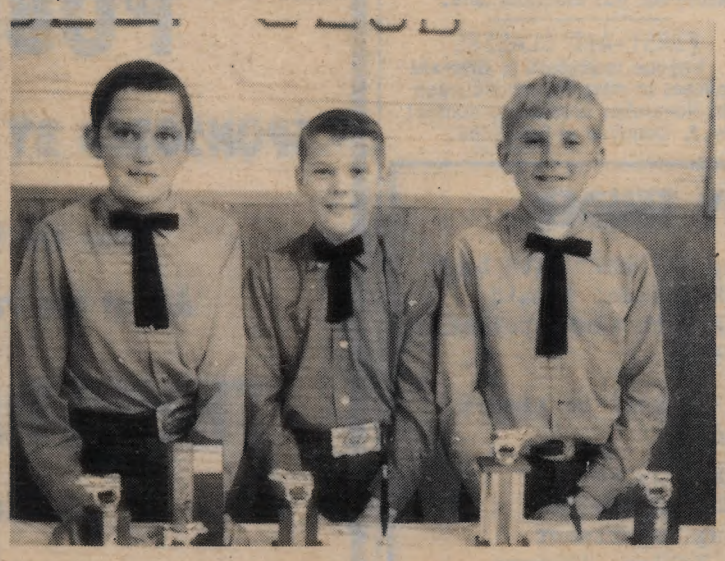
Any persons with queries regarding procedures on legal aspects of game control, hunting, fishing, conservation, etc., please contact Rusty Kirkup at 542-4055.

The Pembina Oilfield Fish and Game Association are drawing up a questionnaire to be presented to the Alberta Fish and Game Association for clarification.

Moon Lake Club Holds Banquet

The Moon Lake 4-H Beef Club ended the season's activities with a banquet and presentation of awards in the Moon Lake Hall last Friday evening.

Moon Lake 4-H Beef Club award winners are shown here. From the left, Ralph Johnson, Ricky Cherrington (accepting on behalf of George Cherrington) and Debbie Hansen.



Moon Lake 4-H Beef Club PeeWee award winners are shown here. From the left, Ricky Cherrington, Glenn Johnson and Raymond Kapteyn.

The club, with Mr. Norman Johnson as its leader, has ten members and four pee-wee members. Mr. Johnson is assisted by three other adult advisers.

Debbie Hansen was Master of Ceremonies for the evening and Ralph Johnson introduced the guests and trophy donors. Miss Hansen was a delegate to 4-H Club Week at Olds Agricultural College in July and described the trip which was both fun and educational.

Trophies were presented as follows: Mr. George Moroz presented the Moon Lake Community League trophy for Grand Champion calf to Ralph Johnson.

Mr. Raymond Tufty presented the Reserve Champion trophy to Debbie Hansen.

Remembrance Day Service Planned

The Annual Remembrance Day parade and service will commence from the Legion Hall in Drayton Valley. Ex-servicemen, ex-service women, members of the Ladies' Auxiliary of the Royal Canadian Legion Branch 269, #733 Air Cadet Squadron, Scouts, Girl Guides, Cubs and Brownies will parade at 10:25 a.m. in front of the Legion Hall.

The parade will march to the Cardium Theatre for the Remembrance Day service. On completion the parade will form up once again and parade back to Legion Hall where it will be dismissed.

This annual ceremony is a must in our fast moving society. It provides the opportunity for a few minutes of meditation when we can solemnly reflect on the wonders we have as a consequence of the sacrifice of those who gave in the two world conflicts. Maybe it can make us more aware of the debt we owe to those who have gone before.

It is hoped that many residents will take a few moments Wednesday to attend the service.

Mother's Day Out Program

The nest session of the Mother's Day Out Program in Drayton Valley will be held on Wednesday, November 18th, at the Drayton Valley Arena.

There will be no session on Wednesday, November 11th, Remembrance Day.

The program for November 18th is as follows:

1:00 - 1:15 p.m. Registration
1:15 - 2:00 p.m. Keep Fit
2:00 - 3:30 p.m. "How to Introduce a Speaker" Public Speaking.

See you November 18th at 1:00 p.m. at the Arena.

UNIFARM MEETING

Notice to UNIFARM members, as the date scheduled for our next meeting, Wednesday, November 11th falls on a holiday the meeting will be held at the Hoge residence at Violet Grove instead of in the Council Chamber. After the meeting we hope to have a study session on Task Force Recommendations over a friendly cup of coffee.

Any farmer who is interested in joining UNIFARM is invited to attend, although if we get more than two hundred we may have to adjourn to the cattle shed.

Plan Service At Evansburg

Members of the Royal Canadian Legion Branch Evansburg will observe Remembrance Day on November 11th with a parade from the Legion Hall to the Evansburg High School Auditorium for a service of remembrance.

All Legion members and others taking part in the parade are asked to be at the Legion Hall at 10:30 a.m.

A social evening is planned for later in the day.

D. V. Highlights

By Mrs. Edith Deby

Our very best good wishes for future happiness go to Mr. and Mrs. Ricky Dressler who were married in Kimberly, B.C. on October 24th. Mrs. Dressler is the former Miss Linda Loutit. The Dresslers will live in Hay River.

Mr. Coldwell, of the Church of Jesus Christ of Latter Day Saints, was in Drayton Valley recently. Mr. Coldwell is a relative of Mrs. Albert Thompson and we learn that the Thompsons are very comfortably settled at Mountain View.

A wedding of local interest was solemnized in Fort St. John United Church on October 24th when Verly, eldest daughter of Mr. and Mrs. Chester Farnsworth, and Mr. Barry Hoffman were united in marriage. Mrs. Hoffman is the granddaughter of Mrs. Joan Reynolds of Drayton Valley.

It is a pleasure to see Mrs. St. Louis back at her post in Block's Store. Mrs. St. Louis had two weeks sick leave when she was in the hospital for a few days.

The Fred Androschuks are being moved to Grande Prairie. Your friends here are going to miss you, Mr. and Mrs. Androschuk and family.

Mr. Mustard's friends are grieved to hear of his sudden passing last week. Our sympathy is with Mrs. Mustard and her family at this time.

Mr. and Mrs. John Moody and Mr. and Mrs. Bohdan Urchyshyn are proud grandparents. Bill and Val Urchyshyn, of Toronto, are the parents of a baby girl who has been given the name of Dawn Hallie.

A welcome is extended to Mrs. Roger Smeland who is new in Drayton Valley. Mrs. Smeland is from Ontario and she and Mr. Smeland are newly married. Welcome to Alberta and Drayton Valley, Mrs. Smeland.

Mrs. Lainchbury Sr. is about once more and is gradually regaining her strength after an operation that kept her in hospital for three weeks.

Mrs. Mattoon is in the local hospital suffering from a severe attack of sciatica.

Mrs. Belinda Alton was here to call on old friends and see her brother, Pat Jackson, and his family a couple of weeks ago. Mrs. Alton will be remembered by many Drayton Valley residents as one of our "Hello Girls" when Drayton Valley had a telephone switchboard.

A stay in hospital is no way to end a holiday and Mrs. Olga Wiechert would be the first one to agree. After a three week visit with relatives in Edson and friends in Fox Creek she became so ill that it was necessary for her to stay in hospital for two weeks.

Mr. Bertram Palmer and daughter, Debbie, returned last week from a delightful holiday in the east. Travelling by air they visited many relatives and friends. They saw Reverend and Mrs. Hincks in Toronto; had Thanksgiving dinner with Mrs. Roy Duthie; went to Niagara Falls for Debbie's first time; on to Buffalo and New York; took a turn at deep sea fishing and generally enjoyed themselves.

Miss Linda Urchyshyn and Mrs. Smerchinsky were hostess at a shower for Miss Linda Muzylouski in Mrs. Bohdan Urchyshyn's home. Miss Muzylouski will marry Mr. David Whitney in Drayton Valley on November 7.

Mr. and Mrs. John Moody had a never-to-be-forgotten trip to Berlin in October. The trip was an award won by Mr. Moody for sales of Gibson appliances. The Moodys were able to cross the wall to East Berlin where they were taken on a conducted tour. War damage is still very evident in East Berlin where only the central section has been fully restored. The Wall is still very heavily guarded and relatives in West Berlin are understandably bitter because they are unable to see relatives across the wall. West Berliners chaff at their confinement, surrounded as they are by Russians. Highways leading out of Berlin have frequent check points and a simple drive in the country is complicated by the strict schedule. The Moodys were able to take pictures in both East and West Berlin.

Mrs. Robert Forbes writes that she is leaving November 2nd by rail to visit her brother and sisters in Cape Breton, Nova Scotia. Mrs. Forbes made many friends while she was teaching here.

4-H Banquet

Cont. from Page 1

Mr. Kapteyn presented the Peerless Coal trophy for showmanship to Ralph Johnson.

Mr. Walter Ditchuk presented the West Alberta Breeders Association trophy for best rate of gain to Ralph Johnson.

Mr. George Moroz presented the Entwistle Livestock Co-op trophy for best records to George Cherrington.

Mr. Hansen presented the Bill's Shell Service trophy for best beef conversion to Ralph Johnson.

Mr. Hansen presented the efficiency trophy to Debbie Hansen who also received the Royal Bank judging trophy from Mrs. Dee Goubault.

Pee-Wee trophy presentations were as follows:

Mr. Moroz presented the Moon Lake Community League trophy for Grand Champion calf to Raymond Kapteyn.

Ralph Johnson presented the Moon Lake Community League trophy for Reserve Grand Champion to Ricky Cherrington.

Mr. Leo Jensen presented the showmanship trophy to Glenn Johnson.

Mr. Norman Johnson presented the trophy for best rate of gain to Raymond Kapteyn.

Mr. Kapteyn presented the trophy for best beef conversion to Ricky Cherrington.

Mr. Moroz presented the trophy for best records to Glenn Johnson.

Mr. Bernie Town presented the efficiency trophy to Raymond Kapteyn.

Club Leader Norman Johnson was called on to review the year's work by members of the club which has been organized for two years. The club is now preparing for its third year and the reorganization meeting held this week to name officers and plan the new season.

Mayor, Sec.-Treas. Attend Convention

Mayor Lloyd MacLean and Mrs. MacLean and Secretary-Treasurer Bill Johanneson and Mrs. Johanneson were Calgary visitors last week for the annual convention of the Alberta Urban Municipalities Association.

Many resolutions at the convention were on the topic of taxation and assessment as well as proposals for changing the present system of exemptions.

Among the guest speakers were Premier Harry Strom and Cabinet Minister Gordon Taylor. Mr. Strom dealt with decentralization of industry and the possibility of incentives to encourage the process.

Mr. Taylor included in his talk an outline of proposed legislation to cope with the problem of non-returnable bottles.

LODGEPOLE NEWS

A Curling Club meeting was held and a new slate of officers were elected. The President is Lynn Reid with Rob McGregor as Vice-President and Ross Graham the Secretary-Treasurer. Six men and three ladies were elected as directors. Fees have been reduced by five dollars to encourage more community participation.

Welcome to new residents Mr. and Mrs. W. Schiman of Seebe who will be at the Brazeau Powerhouse, and to former residents Mr. and Mrs. G. Wiltse and sons from Entwistle.

Mr. and Mrs. Schiffner and family have moved to Drayton Valley.

A family gathering at the Broderson's included daughter Gloria and husband from Slave Lake and Steven, his wife and son from Calgary.

Mrs. Linda Morash and son Shawn of Edmonton are visiting her parents Mr. and Mrs. McGregor while Wayne Morash is on duty in Montreal.

A community farewell dance was held on October 30th with the Erickson Orchestra in attendance. There was an excellent turn-out and was thoroughly enjoyed by everyone.

Greetings come from Mr. and Mrs. Eric Proehl of Parksville, B.C. with an invitation to friends to come to the island for some salmon fishing.

Greetings come also from Peter and Sue Hyde who are teaching at Cambridge Bay. They travelled by plane to various campsites to bring children in to the government hostel for the school year. Other children live nearby with their families. They are very friendly but learning is much slower and they do not have our dedication to soap and water. A supply plane comes in once a month and the supply of fresh food is gone within a couple of hours. The rest of the time they are dependant on canned rations.

WEEKLY NEWS DIGEST

Water Supply Line Planned

EDMONTON -- The Provincial and Federal Governments are sharing in the $134,000 cost of construction of a water supply line for the Town of Slave Lake, for which the contract was let last week, according to a joint announcement by the Hon. Jean Marchand, Federal Minister of Regional Economic Expansion and the Hon. R. Speaker, Chairman of the Alberta Human Resources Development Authority.

The project will provide an improved water service for the Town of Slave Lake and is one of twelve projects to be developed under the terms of the Federal-Provincial Agreement on the Special Area of Lesser Slave Lake, Alberta.

New Potato Plant Opened

VAUXHALL -- Vauxhall Foods Limited, Canada's newest and largest potato processing plant, was officially opened by Premier Harry Strom last Thursday afternoon. The Taber Times reports that he used a Japanese "Samurai" sword to cut the ribbon in the unique ceremony.

Located two miles east of Vauxhall and 20 miles north of Taber, the new plant was constructed in the existing potato growing area of Alberta and will produce granule for instant mashed potatoes.

Search Enters 5th Week

MONTREAL -- The search for kidnapped British diplomat James Cross has now entered its 5th week. Mr. Cross was abducted at gunpoint from his Redpath Crescent home on October 5th. Amid signs of growing impatience over failure of the massive hunt to find a trace of the abductors or their victim, police appear to be going back over ground already covered.

Drapeau Scores Landslide

MONTREAL -- Shattering a half-century record of consecutive years in office Mayor Jean Drapeau achieved a landslide victory October 25, returned to his fifth term in office with a record number of voters -- slightly over 50 per cent of 700,000 eligible, and personally winning 92 per cent of the vote. His Civil party collected all 52 seats in council, up from 46 in 1966.

For the PURPOSE of Giving Information

About the Proposed Industrial Airport Complex

THURSDAY NOVEMBER 5th

Commencing at 8:30 p.m.

ST. ANTHONY'S SCHOOL AUDITORIUM

Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the county office at Stony Plain, Alberta on Tuesday, October 27th. Minutes as recorded by the Secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

PROPOSED AMBULANCE SERVICES FOR THE COUNTY

Held in abeyance for further study.

Councillor Zander reported that some members of the Council had viewed a couple of ambulance units but other than that no further progress was reported.

Moved and carried that applications be invited for operation of owner operated ambulances in the Towns of Stony Plain and Drayton Valley.

PROPOSED CONSTRUCTION WOODWORKING SHOP

Held in abeyance for further consideration by the School Committee. The School Committee recommended that tenders be called for the building of a School Carpenter's Shop and that this project be financed over a period of five years.

It was agreed that the recommendation of the School Committee be accepted with a provision that the project be paid for out of the 1970 budget if funds are available.

Copies of a proposed Agreement and Wage Schedule for 1971 were presented to the Council by the Employees Association.

This Agreement was studied at great length and will be further discussed with representatives of the Employees Association at a later date.

Request for improvement of drainage ditch facilities in the NW 12, Secs. 13 and 14-51-26-4 were received from Mr. Dave Ball of Deroche, B.C.

It was agreed that inspection be made by the Public Works Committee of the Council and the Water Resources Division be requested to do a survey and submit a recommendation.

By-Law No. 33-70 providing for the limiting of speed at which vehicles are allowed to travel, to 30 m.p.h. on the roads in Pine Valley Acres Subdivision received first reading on motion of Councillor Bailey, second reading on motion of Councillor Mann, third reading on motion of Councillor Zander and finally passed by unanimous consent of the Councillors present.

By-Law No 21-70 providing for the closing of that portion of road plan 5983 E.O. in the NE 7-53-3-5 received third reading on motion of Councillor Lent and finally passed by unanimous consent of the Councillors present.

Progress payment number 2 in the amount of $22,920.00 to C. J. Woods Sales Ltd. for construction of the County building in Drayton Valley was approved.

Request for approval of plan of proposed revised boundaries of the Duffield rural Electrification Association was received from Alberta Power Commission. Approved.

REQUEST FOR PAYMENT OF ACCOUNT

Request for payment of account of $7.20 was received from Waterloo Motors Ltd. This account was incurred by having a new truck sent to McCoy Brothers to correct a steering defect and this should have been covered by warranty by the selling dealer, D.V. Ford-Mercury Ltd.

It was agreed that this account be paid and submitted to D.V. Ford-Mercury Ltd. for refund.

Request for improvements to the drainage system in the Shoal Lake area was received from Cormie Ranch Ltd.

It was agreed to refer this request to the Water Resources Division and block off the perimeter ditch on each side of the road adjacent to the south boundary of the SW 29-51-4-5.

It was agreed to advise Cormie Ranch Ltd. that the drainage system in the Shoal Lake area is not a County drainage project but was initiated and implemented privately.

By-Law No 34-70 providing for the borrowing of $6,560.00 from the Canadian Imperial Bank of Commerce in Stony Plain for the purpose of financing the purchase of a new school bus by Mr. Emil Altheim of Stony Plain received first reading on motion of Councillor Zander, second reading on motion of Councillor Lent, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

Letter dated October 13, 1970 from the Summer Village of Edmonton Beach was presented to the Council requesting that a joint nusance ground be established in the Edmonton Beach area as the existing nuisance ground does not meet the new regulations governing nuisance grounds.

It was agreed to advise the Summer Village of Edmonton Beach that the nuisance ground west of the Town of Stony Plain on the SE 35-52-1-5 is adequate to serve the Edmonton Beach area.

Request for improvements to the road adjacent to the west boundary of the Summer Village of Edmonton Beach was received from Summer Village of Edmonton Beach. Referred to Councillor Bakker.

Request for financial assistance to improve skiing facilities was received from Drayton Valley Ski Club. Held in abeyance for further information.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Congratulations to Mrs. Lata Katyal (Grade 3 teacher) who received her Bachelor of Education degree on Saturday at the Fall Convocation at the University of Alberta.

We welcome Mrs. Audrey Drolet to our staff. Mrs. Drolet teaches gym and some music classes.

The following is condensed from a pamphlet HIPPIES - Hypocrisy and Happiness.

HOW TO MAKE A HIPPIE

Hippies are made, not born. There are several causes which contribute to the making of a hippie.

First, give a child a society where almost everybody practices a double standard. Where cheating and lying and thievery are a way of life.

Second, give a child a broken home -- or an unhappy home where love between the parents is absent. Give him (or her) freedom to do as he pleases. Don't check up on him when he goes out with his friends.

Third, make sure there is a lack of communication in your home. Let the family conversation be replaced by the TV screen. Don't talk to your children much. Don't pay attention when they develop problems -- maybe they'll outgrow them. Let the "gap" grow.

Fourth -- make sure your children develop a good fear of the future. Make sure they know there are no "solutions" to the world's ills -- they will naturally begin seeking an "Escape" from it all.

Fifth, as they grow make sure that they see only the bad side of life - lack of love, rat race, dishonesty, public apathy, etc. Let them retreat into their own little teen-age world of Beatles, loud music, wild parties and teen-age dances.

Sixth, allow the degenerative influences of our society to rub off on them. Allow them to do whatever comes natural. Be permissive. With the world, society and you leading them on, Hippiedom will become more attractive to them.

Seventh, allow them to add the ingredients of vanity, selfishness, jealousy, lust and greed to their cravings. Let them read all the trash that is so easily available today. Never correct them. Let them see your own disrespect of the law, police and authorities. Let them see how you flout the law whenever you can get away with it.

If you do these things, then there is no need to worry about it -- you will succeed. Before you know it, you will have created a hippie.

ENTWISTLE NEWS

Lloyd Burke helped the Terpstra family to decorate the Church for Thanksgiving. They did a lovely job of it and we all appreciated it.

The Entwistle Elks held a whist drive on October 24th. Seven tables participated and the winners were: ladies -- Mrs. Rochaleau, Nellie Hamar. Con -- Pauline Bullock. Men -- Bill Davies, George Bullock. Con -- Art Gay.

The door prize was won by Pat Saretsky. The November Whist Drives will be held November 14th and November 28th in the Elks Hall to begin about 8:30 p.m. Everyone is welcome to come and enjoy an evening out.

The Entwistle Curling Club held a Hallowe'en Dance on October 24th, and it was very well attended. Prizes for costumes were won by Wilma Tufty and Ralph Ostertag, comical costumes; costume for workmanship, Betty Strangway and Clarence Willoughby; unrecognizable costumes, Ruth Messenger and Annabelle Hoople.

The judges were John Triet, Judy Jevne and Mr. and Mrs. Wisk. Many thanks to all who came and to the judges on behalf of the Curling Club.

Young Donnie Knudsline had a birthday party on October 27 to celebrate his 12th birthday. Several of his friends helped him celebrate.

For the last few days since there has been no school because of the snow drifted roads many of the children have been busy shovelling paths and sidewalks. This has helped to keep some of the mischeif and also to use up some energy. All good things come to an end and they will soon be back at school again.

THANK YOU

The Triple B Oval would like to express its "Special Thanks" to all the businesses that have donated trophies throughout the 1970 year. This was well appreciated and sure helped to put our club on its feet.

We would also like to express our most special thanks to Andy Frier for the land that made this track possible; Brisebois Construction that built the track for us; Frank Andrews for the fuel donation towards the building of the track; Platz Construction and Lloyd Laquis who donated their graders to keep the track in shape; Bill Kovacs for building the bleachers; Wayne and Ken Hollderson and Bill for erecting the fences. The water truck was also donated, the driver Don MacCory, and to Johnnie Videsjordon who donated his truck when it was needed. Panky's donated their pile driver which was made use of. We must thank Morrill's and Gooding and Matt Construction for bringing out their winch trucks every Sunday -- we sure made use of them. Bob Heyland donated his bus for ambulance purposes, we are thankful we never had to use it.

We would also like to thank all who helped on race days in the pit area and the girls who took turns taking tickets at the gates each race day. We would also like to thank the Schadeck's for the wonderful job they did in the lunch booth.

THE F.L.Q. -- HOW IT LOOKS FROM INSIDE PARLIAMENT

Acts of terrorism and organized assaults on established patterns of government are now a world-wide reality. If we thought Canada was a tranquil exception, we can nourish that illusion no longer.

The success of hijacking by the Palestinians with the result that the British released their prisoners has had a direct bearing on what has happened subsequently in Canada. Once one kidnapping or hijacking produces the results desired, all radical minority groups are attracted by the technique.

Our Prime Minister, Mr. Trudeau, has taken a very hard stand on this. No power can force its will on a nation or society in place of the power of those who have been freely elected by the people to govern. Thus, the mood here is one of no compromise. The demands of a black mailer, be he an individual or an organization, can never be met or else the door is open for terrorism and control (or at least significant influence) by any band of cutthroats or criminals.

Therefore, no matter who must suffer, we must sacrifice even the lives of some innocent victims so that the very basis of democracy and freedom of government be preserved. (A cause for which many Canadians have been willing to die in past decades).

As Prime Minister Trudeau said more than two years ago, in the tide of our times the threat to Canadian security is greater from within than from without.

We live in a time of turbulent change when old norms are not always respected and adequate new ways are not yet fashioned.

The F.L.Q. seeks publicity and wants to focus wide attention on the need for basic social change through violent forms. I am convinced that the calmer we can remain at the Federal level, the less publicity and respectability they will receive.

The use of the Insurrection Measures Act (also called War Measures) was taken after it became clear that much more than two kidnappings was involved. The infiltration of the media educational institutions and organizations necessitated declaring the F.L.Q. an unlawful society.

The invocation of such a powerful instrument was decided upon only after it was clearly evident that the normal means available to the police forces were not sufficient. Any other course, as suggested by some early opponents of the measure in Parliament, would have simply telegraphed government strategy to the terrorists.

Some have suggested that more should have been done earlier. Such a position is clearly false. It implies that our police forces were not doing all that they could have done. This is not the case, as proven by the fact that twenty-three members of the F.L.Q. were being held in jail for various illegal acts. Others were convicted and deported from Canada.

The only other possibility of earlier action would depend on special legislation which would enlarge police powers beyond those contained in the ordinary criminal law. There was enough opposition in Parliament to the use of special powers in a time of crisis. How much more opposition would there have been to the use of narrower though still special power, if the country was not facing a critical situation.

A signficant number of people are now becoming concemed about the loss of civil liberties because of the imposition of the War Measures Act. How many innocent persons have been deprived of their rights? I believe that we should be more concemed that the use of this powerful legislation will result in complete and final eradication of terrorism from within our borders.

Catfish farming is the newest agricultural enterprise -- in the southern States it is already a multi-million dollar business.

LETTERS TO THE EDITOR

THE EDITOR,
THE WESTERN REVIEW.

DEAR SIR:

The Drayton Valley Teen Club is a group organized to provide entertainment for the teens of our town. One of the forms of entertainment provided is dances. They occur approximately once a month and in the future will take place from 9:00 p.m. to 1:00 a.m.

There are a few difficulties, however. The most pressing problem concerns the teenagers under sixteen. In the past a group of these young people have been found roaming the streets until all hours of the morning after dances. Teen Town dances have been named as one of the causes of this. They are not responsible. It is the responsibility of the parents to see that their children under sixteen are home half an hour after the dance ends. Please be concemed enough about your children to see that they return home by 1:30 (those under sixteen).

We know that there have been some problems concerning Teen Town dances in the past. We hope to correct these problems with co-operation and help of the RCMP and the parents in this town. The RCMP have agreed to check our dances at intervals. We now need some co-operation from the parents. We would like to have at least 6 or 8 people chaperoning our dances. However it is extremely difficult to find parents that care enough about their teenagers to spend one evening a year chaperoning their dances. We realize that it is difficult for adults to bear the loud music and in the past there has been no area provided for chaperones to escape from the noise and enjoy a cup of coffee and some quiet. At future dances this will be provided and chaperones will be able to retreat at intervals throughout the dance.

When you are called upon to chaperone please accept. Your co-operation will be greatly appreciated. Finally, we would like to thank the small group of parents who have repeatedly chaperoned the Teen Town dances.

Yours truly,
TEEN TOWN IN CROWD,
Janine LaBranche, (President)
Arlene Swendseid (Secretary)

DEAR SIR:

Seventh-day Adventists in the Drayton Valley-Warburg area cannot help being moved by so many people in this town and neighbouring villages and municipalities who are willing to be involved. We thank them for their generous support of our church's 67th annual World Service Appeal which closed in Drayton Valley on October 7th and in the area on October 20th. We thank them, too, for being warm, human, and understanding.

Gifts are channeled to a certain fund and are not "lost" in overhead. It was church members that volunteered their time and gas to solicit funds, and all money is handled through existing structures. The funds will be distributed to humanitarian projects at home and overseas where Seventh-day Adventists are working in more than 190 countries.

Our own church members have themselves participated in the World Service Appeal. Reports show that nearly one-third of the funds contributed come from them. But with a world full of tragedy and injustice, we welcome the support of our friends in loving and sharing with those who need it most.

By-Law No 27-70 to amend By-Law No. 3-69 by substituting 8 ½ % per annum for 8% per annum received third reading on motion of Councillor Bailey and finally passed by unanimous consent of the Councillors present.

POLICE REPORT

Police Committee Chairman, Councillor Roy Lent submitted a report of the last meeting of the Police Committee.

The report and recommendations were accepted with the exception that the purchase of cameras be considered at budget time in 1971 and a ski-doo be leased on a trial basis.

Statement of impounding of 13 horses in the pound kept on the SW 2-53-3-5 was presented to the Council. Damages to oats and bales totalling $200.00 were claimed by the impounder. It was agreed that the proceeds from the impounding be disbursed in accordance with the Poundkeeper's Statements.

Request for payment of outstanding account in the amount of $185.69 for crossing protection maintenance was received from Canadian National Railways. Payment approved.

Request for permission to display the county of Parkland appraisal reports at the convention of the Alberta Association of Municipal Districts and Counties was received from Hu Harries and Associates Ltd. Permission granted.

ORGANIZATIONAL MEETING

It was agreed to hold the organizational meeting of the Council on Monday, November 30, 1970 commencing at 10:00 a.m.

Notice received that Saskatoon Fire Engine Co. Ltd. in Calgary has agreed to repair the water tank on the Spruce Grove fire engine free of charge as the leak occurred due to faulty metal in the tank.

It was agreed that this fire engine be taken to Saskatoon Fire Engine Co. Ltd. in Calgary for repairs.

It was agreed to grant Mobil Oil Canada Ltd. a pipe line easement on the south boundary of the new school site in Drayton Valley and authorize cancellation of the two easements inside the property.

Offer to sell Lot 2, Block 2, Plan 3682 A.J. Lakeview was received from Mr. Larry Burton of Wabamun.

Mr. Larry Burton, owner of the above described lot offered to sell this Lot, which is adjacent to school property in Wabamun, for the sum of $1,050.00.

It was agreed that this lot be not purchased for this amount as it is considered to be too high.

OFFICE RENTAL AGREEMENT

Letter dated October 22, 1970 from the Edson Health Unit was presented to the Council requesting that the County provide janitor services for the Health Unit area as they consider the area provided to be in excess of their initial request.

It was agreed to advise the Edson Health Unit that the area provided is within the initial request and the area provided fitted into the general plan of the building.

An enquiry was received from Mr. Basil Stecyk of Wabamun whether the County would consider hiring him to maintain the roads and streets in Wabamun if he purchased a grader. It was agreed that no maintenance equipment be hired as it is considered that the County has sufficient maintenance equipment.

ASSESSORS SHORT COURSE

Notice has been received that the Extension Department of the University of Alberta is planning to present a Short Course in the University of assessment of real property.

It was agreed that all County assessors be authorized to attend this course and the registration fees be paid by the County.

It was agreed to call for tenders for construction of an addition to the water pumphouse in Wabamun according to plans, for construction next spring.

It was agreed to request the Water Resources Division to do a survey of the drainage system and water course in sections 20, 27, 28, 29, 32 & 34-51-26-4 and submit a report.

Wheat Sold To China

OTTAWA -- The sale of 2.5 million long tons of wheat to the People's Republic of China was announced in the House of Commons last week by The Honourable Otto E. Lang, Minister Responsible for the Canadian Wheat Board.

"Within the tolerances permitted in the contract, this sale by the Canadian Wheat Board could amount to a maximum of 98 million bushels, valued at more than $160 million," Mr. Lang said. Shipment will be over a 12-month period and all shipments will be made from west coast ports.

INVEST IN REAL ESTATE

THE FORCED SAVINGS PLAN

REAL ESTATE IS A GOOD INVESTMENT

1. It is surrounded with substantial elements of safety, if wisely chosen and skillfully managed.
2. It cannot be easily dissipated.
3. If properly selected, it goes on reaping income year after year, despite changing business conditions.
4. Its outright owner is not subject to questionable managements by others, as in the case of industrial or business enterprises, and stocks issued by them.
5. Real Estate does not have to pay expensive underwriting and other promotional charges. Income, from properly chosen Real Estate will begin at once and continue unabated, paying a steady return in addition to any increase in value.
6. That Real Estate is not always a liquid asset is, perhaps, one of the most commendable features. This charateristic has saved many a person from losing money by investing in "get-rich-quick" schemes, that later proved failures. Likewise, an owner is not easily "rushed off his feet", in an unwise effort to dispose of it.
7. When you invest in Real Estate, you may go and look at it, and see that it is there. There is a sense of personal possession implied that is attached to no other form of investment.
8. Real Estate, being limited in amount, attaches itself monopolistic features, which capitalized into business use, bring profits to its owner.
9. You also receive the benefits of tax shelter by owning Real Estate.

Calgary Power Crews Faced With Big Task During Storm

The crippling storm that hit west central Alberta last week left thousands of customers without power, immobilized industry and caused critical problems for farmers during the emergency.

Calgary Power crews, working at times 48-hour uninterrupted shifts, spent almost three days fighting heavy snow and ice conditions on poles, lines and transformers, and it is estimated that service to almost 35,000 customers was affected at one time or another.

Calgary Power crews -- bolstered to 200 strong at the height of the crisis -- were faced with the task of patrolling some 8,100 miles of transmission and distribution lines, and repairing damage.

Late Sunday evening the worst affects of the storm were felt. Most major transmission lines within 60-miles of Edmonton, were out for some period. And most rural customers had power connections severed -- some waited more than 50 hours for restoration of service.

Calgary Power hired two helicopters and a host of track vehicles and snowmobiles to assist servicemen to travel over drift-clogged country roads. The area covered by the storm was estimated at 9,000 square miles.

Farm customers were the hardest hit. Calgary Power officials estimate that 11,000 rural customers were without power for considerable periods of time.

Industrial customers, particularly in the areas east of Edmonton, suffered interrupted service for three days.

The final link was re-established early Wednesday, with the installation of a $100,000 portable transformer at Fort Saskatchewan.

The transformer, brought in from Innisfail, was designed for such emergencies. When the Fort Saskatchewan transormer suffered damage Tuesday, the portable unit, permanently mounted on a flatbed trailer, was rushed to the scene and installed.

Although final inspection and clean-up will take several weeks, crews began returning home to rest Wednesday. Reports showed some Calgary Power crews had worked for as long as 48 hours, in freezing weather and waist-deep snow, to restore the service.

Veteran Calgary Power employees say the storm caused the worst problems in memory. The storm provided the right combination of conditions to throw the whole system out of service. Heavy snow, moderate temperatures (hovering around freezing) and high winds caused the lines and insulators to coat with a heavy layer of ice. This condition causes a short that trips out the line. Service cannot be established again until the ice has melted.

At times it was too dangerous to work on the lines. Late Monday a fault on a major line east of Edmonton had been discovered, but crews were afraid to work on the line for fear of tangling with a live 23,000-volt line underneath. The bottom line was carrying power to customers farther east.

As the ice fell from the line, a springboard reaction would take place, very often entangling other lines on the transmission towers, and poles.

Calgary Power officials had high praise for the patience and co-operation of customers.

Farmers readily agreed to assist in overland transportation with tractors and heavy trucks. Fort Saskatchewan area residents responded well to a plea Tuesday to conserve power while a transformer was out of service.

Most customers, while concerned with the loss of power, waited uncomplainingly until their service was restored.

Cross-country runners who made good showings in recent events are shown here. Back row, left to right, Vince Meraw, Bob Godun and David Wensley. Front row, Zane Reinhart (L) and Xavier Coppens.

Gymkhana Club Trophy Night

The Pembina River Riders Gymkhana Club from Evansburg held their fourth annual Awards Night on October 23, 1970.

The Ladies Auxiliary from Evansburg doing the catering turned out a lovely turkey and ham supper for nearly two hundred people.

Mr. Pete Peterson, the club's president was Master of Ceremonies for the Presentations.

Trophy winners were: Adult barrels, Linda Donaldson; adult stakes, Herb Gilbert; adult poles Jim Sherry; adult flags, Herb Gilbert; Men's calf roping, Ron Donaldson; Ladies goat tying, Jackie Harke; Over all high point Jackie Harke.

Receiving Replica's for their 1969 efforts were Ron Gale from Seba Beach and Ed Lauer from Drayton Valley.

Intermediate winners were: Barrels, Wayne Thomas, flags, Debbie Gale; Poles, Wayne Thomas; stakes, Jim Stubl; high point winner, Wayne Thomas.

Receiving Replica's were Larry Johnson and Wayne Thomas.

Junior winners were Barrels, Ralph Johnson; stakes Ralph Johnson; poles, Ricky Anderson; Key Hole, Billy Anderson; High point winner, Ricky Anderson.

Adult Trail Class -- Lowell Gorsline; Intermediate Trail Class, Dayton Gorsline; Junior Trail Class , Ricky Anderson.

The highlite of the evening was the presentation of the Youth Activities Saddle. This was competed for at four different shows through the summer. With different judges. Vic Patric of Seba Beach, Heles Ross of Evansburg and Albert Behoe of Edmonton. There were nineteen youngsters between the ages of 8 and 16 competing. The top six were Ricky Anderson in 6th place, Kathy Harke in fifth place, Iona Anderson in 4th place, Wayne Thomas in 3rd place. Dayton Gorsline in second place and the lucky winner for 1970 was nine year old Judy Blais from Seba Beach on her horse Bobbie Sox.

This was the first saddle won by Judi but the second time for Bobbie Sox. In 1968 Dayton Gorsline won the saddle with Bobbie when John Sinclair donated the saddle. In 1969 Tommy Sharkey of Drayton Valley was the winner when Rex Rimmer of Marshall Wells Store in Evansburg and George Beach from Entwistle Trucking were the donors. This year the Gymkhana Club donated the Annual Award. The children are judged on reining and trail class patterns and halter showmanship.

Mr. Cliff Ross also was presented with a small token for his work in judging our annual horse show.

The ladies of the club, who have worked through the whole year were presented with a corsage. They were Marc Peterson, Club Treasurer; Sybil Peden, Saddle Class Recorder; Mary Anderson, Recording Secretary; Margaret Wood, booth manager and Board member. Margaret Stull and Marion Thomas just couldn't get along without them. Men helpers for the year were Frank Mahan judge; Dick Anderson judge; Dale Harke; Don Peden timers. Gordon Thomas, announcer, Pete Peterson, president and handy man. Ted Stephens, gate man, and special thanks to the Bruner family for working the grounds for the summer.

The Saddle which was raffled wa s won by Lyall Lystang of Mayerthorpe.

Following presentation music was supplied by the Carl Ohl Orchestra of Parkcourt and I'm sure it was appreciated by all. Many thanks to one and all for making our Annual Banquet a success.

Strong Showing By F.M.H.S. Runners

It was Drayton Valley Daze in Edmonton and here at home on Saturday, October 24th as five boys from the Frank Maddock High School who qualified last Saturday in Hinton for the provincials culminated the season with strong performances in the 2½ mile run at Kinsmen Park.

Bob Godun, son of Mr. and Mrs. Nicholas Godun, showed what an excellent future he has in distance running as he moved from 7th position to 4th position in the latter stages of the race to finish only 6 seconds behind the number one runner, Brian Rhodes, in the Junior Class (16 and under).

Both Bob and Vince Meraw just turned 15 recently and have been placing within the top five places in the several cross country meets they have attended this fall. Zane Reinhart, Xavier Coppens, and David Wensly have also helped to publicize the Frank Maddock School and Drayton Valley in cross country running.

In the North Central High School Athletic Association Championship meet in Hinton on Saturday, October 17th, they all qualified for the provincials by placing within the top 9 places. The five boys mentioned above, running as a team, won the Junior Boys class in Hinton.

Their coaches are confident that if the five Grade 10 students continue training seriously and participating in cross country running, in the future they will bring home class and aggregate trophies to the school. Congratulations to these five provincial competitors.

Here is a scoreboard of the meet results.

WARBLE FLY CONTROL

Please note that Tuesday, December 1st is the suggested deadline for fall control of the pesty warble fly.

The response to date has been very good, however we would like to see as many cattle done this fall as possible. This gives the best control for both warbles and lice and no doubt a better gain for the owner.

Supplies for spray or pour-ons can be purchased at the following outlets:

County Office, Stony Plain;
Sekura Auctions, Drayton Valley
Belva's General Store, Rocky Rapids
Dan Schadeck, Tomahawk

We hope for your full co-operation under the By-law 17-70 to make our County warble fly free.

Rebels Split Weekend Games

The Drayton Valley Rebels got revenge in Rocky Mountain House on Friday night by out playing and out scoring the Rams. The Rebels played good positional hockey and had at least 40 shots on goal to beat the Rams 5 to 3. Sam Belcourt picked up first star and 2 goals and 1 assist. Frank Novosel also had 2 goals and 1 assist. Barry Ness got second star and one goal and one assist. Third star was picked up by Rams goal tender.

On Sunday the Rebels won the battle but lost the war. In a penalties ridden game, 24 in all, 5 for fighting. A game that could have got out of hand at anytime.

This was a good game for the Rebels to get it out of their system. Oh yes the score was St. Paul 13, Rebels 3. The local fans will get a chance on Thursday to see the rematch starting at 8:30 p.m.

The Drayton Valley Rebels Hocky Club is offering to their fans this year a chance at a trip to Vancover to see the Canucks and the Detroit Redwings play on March 9th. Ten ticket stubs will be drawn each league game and the holders will receive a card to fill out. This card with their name and address on will be placed in a sealed container and on Sunday, February 21st the last league home game for the Rebels, one card will be drawn and the winner will be awarded 2 expense paid tickets to Vancouver. Included are tickets to the game and transportation there and back. Only adult tickets will be drawn.

Season tickets will also be available this year. They can be purchased from any of the directors or executives starting November 1st. For $13. you receive tickets for 15 home games.

TOWN OF DRAYTON VALLEY

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT THE COUNCIL OF THE TOWN OF DRAYTON PROPOSE TO PASS A BYLAW TO AMEND BYLAW No. 449 BEING THE BUILDING, DEVELOPMENT, PLANNING AND ZONING BYLAW OF THE SAID TOWN.

THAT BYLAW No. 518 OF THE TOWN OF DRAYTON VALLEY AUTHORIZE THE COUNCIL OF THE SAID TOWN OF DRAYTON VALLEY TO AMEND BYLAW No. 449 AS FOLLOWS:

1. That there be an additional zoning classification created to be known as R2 Residential Mobile Home Class and that this new class be now included in the zoning schedule "C" zoning list of planning bylaw No. 449 between the classifications "R1 Residential-One Family (A.B.C.)" and "R3 Residential-Multiple Family".

   Also that zoning schedule "C" of planning bylaw No. 449 be changed to include after Section "R1" but before Section "R3" a new Section "R2" as follows.

ZONE	PERMITTED USES	MINIMUM SITE AREA	MINIMUN FRONT YARD	MINIMUM SIDE YARD	MINIMUM REAR YARD	REQUIREMENTS -- See Also Attached Requirements "1" to "4"
R2	One Family Mobile Home Dwelling	Area - 5500 sq. ft. Depth - 110 ft. Width - 50 ft.	20 Feet Except where existing development makes this impractical to structure or thing more than 3 ft. in height shall exist within the triangular area formed by intersecting rights of ways and straight line joining the points on a line 15 feet from the intersection.	10% of Lot Width or 7' whichever is the lessor	10 Feet	-- Water supply and sewage disposal provisions shall be made in conformance with the requirements of the Department of Public Health of the Province of Alberta, and the requirements of the Town of Drayton Valley. -- Minimum floor area 520 square feet. Area below floor to be suitably enclosed to grade. Material used for any trailer additions shall conform to the main unit. Additions not to exceed 50% of the main unit floor area. -- Principal Building shall not cover more than 25% of total site to a maximum of 35% for all building. -- Provisions shall be made on lot for storage of all automobiles used by person resident in the mobile home subdivision.

2. That lots 6 to 26 inclusive in block 45 in plan No. 3987RS be re-zoned from "R1A Residential-One Family Classification" to "R1B Residential-One Family Classification.

3. That all that portion of the North-East Quarter of Section 8 Township 49 Range 7 West of the 5th Meridian in Alberta being developed as Mobile Home Subdivisions and tentatively designated as Blocks 101, and 102 in the townsite of Drayton Valley be re-zoned from the present "Agricultural" classification to "R2 Residential Mobile Home-One Family" classification.

   A copy of this bylaw no. 518 and a map of the area showing the proposed changes may be examined in the town office at all reasonable business hours.

   A public meeting will be held in the town office at Drayton Valley on the 10th day of December AD. 1970 at 3:00 p.m. for the council to consider any objections, recommendations or complaints pertaining to this amendment.

Airport Proposal Subject for Public Meeting

BY DON VANSTONE
Industrial Development Co-ordinator

Industrial development is important to any community. There are several reasons why this is true. The economic impact has been discussed, consider also the effects of diversification.

Any community that is supported by one industry faces the effects of the marketing of that industry's production. A case in point is the agricultural industry. There are many towns suffering from economic slowdown today because they are agriculturally oriented.

There is one facet of agricultural production that is an asset. It is regenerating. Compare agriculture with an extractive industry such as mining and it is easy to see that not only is the community subject to market fluctuations but also, at some future date, the source of the industrial base will be depleted, at which point the community has no further reason to exist.

It is for the above reason that so much effort is being spent on attracting new industries rather than only expanding related service industry. Both are important of course, but the new industry can fuction independent of the main industrial base. It is the desire of all citizens to maintain their town in spite of various factors affecting the production of their community.

Town Council has recognized this problem and in late 1969 appointed D. Vanstone as industrial co-ordinator. A committee was formed consisting of R. Burrows, M. Helm, R. Mayhew, W. Tuttle, W. Johanneson, and D. Vanstone. This committee was granted a budget of $1,000.00 for the year 1970 for the purpose of furthering industrial development.

The first course of action was to undertake a study of the community to determine what new industries could be attracted or developed. In conjunction with this investigation, the committee also sponsored a Department of Education Extension Course in Business Development which was offered to the citizens of Drayton Valley. Seventeen people signed up for the course, ten people passed the course.

Part of the committee's budget was used to send the Town Engineer, Mr. W. Tuttle, to the University of Alberta for a one week course in industrial development. Part of the budget was used to host the spring conference of the Industrial Development Board of Alberta.

It should be stated that this conference received excellent cooperation from the Drayton Valley businessmen. (The publicity the town received was more than what was expected.)

During the spring of 1970, the industrial development committee considered the need for an industrial part and types of suitable industrial prospects. Decisions of this nature hinge on many factors including the source of raw material, the availability of markets, transportation, labor pool, and the amenities needed to attract new personnel to the town.

It was due to these deliberation and as a result of extensive studies of the economics of the town that the present proposal for a combined airport and industrial park was presented to the Town Council. At this juncture an airport committee was formed to proceed with the presentation of an industrial park-airport complex proposal. Members of this committee are W. Johanneson, K. Gobel, G. Rendflesh, W. Mayhew (town representative) and D. Vanstone.

From that day to this, specific research has been undertaken to determine the feasibility of such a proposal. A planned and systematic approach has been taken leading up to the public meeting which, as advertised elsewhere, will take place Thursday, November 5th at 8:30 p.m. in St. Anthony's School. This meeting is intended to be of an informative nature.

Following this meeting, the industrial development coordinator intends to ask Town Council to advertise their intention to borrow the necessary monies.

The industrial development committee feels this project warrents the interest of every citizen. The direction of further developments of Drayton Valley will be determined by the expressed wishes of the rate payers. Town Council needs your informed opinion to guide their actions in this matter. Please make every effort to attend the public meeting.

Summary Regular Meeting
Parkland School Committee

Meeting of the school committee of the County of Parkland No. 31 held in the County Office on Tuesday, October 20th. Minutes as recorded by the assistant Secretary-Treasurer and not yet officially adopted by the school committee.

Present were Messrs. R.A. Bailey, George Mann, L. N. Miller, R. Zander, Peter Bakker, R. Lent, Ivan Vowk, Don Gylander, J.W. Tyler, Mrs. Elizabeth Howery and Mrs. A.C. Kritzinger, School Committee Members, also Superintendent of Schools, Mr. M. Holman, Assistant Superintendent, Mr. W.G. Wilson and Assistant Secretary-Treasurer.

SCHOOL SITE RESERVE SPRUCE GROVE

Mr. M. Holman reported on the meeting at Spruce Grove regarding land reserves for school purposes in the proposed developments there. The developer attempted to promote 4 separate school sites in scattered locations so that children from various sectors would not have too far to walk. The committee for the County insisted on a larger reserve as close as possible to the present new school so that maximum advantage may be made of Serplex.

Mr. F. Marlin and Mr. J. McCracken of Melton Developments and Mr. E. Dmytruk of Edmonton Regional Planning came to see the School Committee regarding reserve for school sites in the proposed subdivision in Spruce Grove. Plans for the proposed long term development were viewed and discussed at great length.

It was moved and carried that the appointment of Mrs. Audrey Drolet to the staff of the Drayton Valley Elementary School be approved.

Mr. M. Holman advised that Mrs. Patricia Bentley has been hired as part time Secretary, effective October 15, 1970 to replace Mrs. Anderson at the Duffield School.

It was moved and carried that a contribution of $50.00 to the Alberta Advisory Committee on Educational Studies be made.

It was moved and carried that Mrs. G. Strashok's resignation from the staff of the Frank Maddock High School, effective January 31, 1971, be accepted with regret.

DRAYTON VALLEY PROPOSED HIGH SCHOOL

Mr. M. Holman reported that he has contacted the Architects regarding the Proposed High School in Drayton Valley. They have been working on plans and will have something to present to the next meeting. The date for demanding a plebiscite has expired and the application has gone to the Local Authorities Board for approval.

It was moved and carried that the Superintendent's Report be accepted.

MAINTENANCE REPORT

Mr. E.W. Hillyer presented the following report to the School Committee: Building of County Carpenters Shop -- plans have been drawn up for construction of the building to facilitate the repair and maintenance of our buildings. The building is designed to house the carpenters and mechanical maintenance crews, giving enough storage for ready use material. The estimated cost is $22,000.00 which is approximately $7.00 per square foot.

Caretaking at Drayton Valley Junior High -- the school was sized as an "A" Class School instead of a "D" Class which makes the difference of 12 hours a week sweeping time. This amounts to $799.00 a year in salary at that school. The addition of the portables places the school in a "D" Class.

CARPENTERS SHOP

It was moved and carried that the recommendation of the Building Committee be accepted and that a School Committee Carpenters Shop be built in accordance with the plans presented, at an estimated cost of $22,000.00 plus the installation of water and sewer.

Mrs. Elizabeth Howery requested to have a negative vote recorded.

It was moved and carried that it be recommended to County Council that tenders be called for the building of a School Carpenters Shop and that this project be financed over a period of five years.

REPLACING LINOLEUM DRAYTON VALLEY

It was moved and carried that the linoleum in the hallways of the Drayton Valley Elementary School be replaced at an estimated cost of $2,417.00.

It was moved and carried that the Maintenance Supervisor's Report be accepted.

It was brought to the attention of the School Committee that the annual convention of the A.S.T.A. is to be held on November 2nd to November 4th which would be the date of the next regular meeting.

It was moved and carried that the next School Committee meeting be held on Thursday, November 5th.

It was moved and carried that the applicants for the position of Superintendent of Schools be invited for interviews on Friday, November 6th commencing at 1:00 p.m.

Mr. M. Holman reported that he has contacted Dr. W.R. Duke regarding the Provincial Program Budgeting and Accounting Program. He will be meeting with one of Dr. Duke's assistants and will have a report for the next meeting.

It was agreed that a Teacherage Rental Committee be set up to deal with all aspects of rentals and to draw up a rental agreement. This Committee is to consist of 2 members of the School Committee and 2 members of the Local A.T.A.

It was moved and carried that Mr. J.W. Tyler and Mr. George Mann act on the teacherage rental committee.

Mr. R. Fletcher, Principal of the Keephills School, reported a shortage of $33.15 in text rental money presumably stolen from the school.

It was moved and carried that the amount of $35.15 for missing text rental funds at the Keephills School be written off.

FORMATION OF REGIONAL LIBRARY

It was moved and carried that application be made for Ministerial approval to enter into an agreement for a Regional Library.

It was moved and carried that the Stony Plain School Bus Route be awarded to Mr. Emil Altheim as recommended by the Committee.

It was moved and carried that the Spruce Grove School Bus Route be awarded to Mr. Stan Jamison as recommended by the Committee.

REPORT FROM SCHOOL BUS COMMITTEE

Mr. George Mann presented the following report on school bus parking at the Drayton Valley Elementary School:

October 15, 1970
Drayton Valley, Alberta

Present -- Mr. Kozyra, Government Inspector; George Mann, Bus Committee Member.

Information gained at a Bus Inspection called by Mr. Kozyra (Government Inspector) at the Drayton Valley School, October 15, 1970.

That no parking be allowed on the apron on the east side of the Elementary School.

Car traffic around the loading area should be cut down. Signs for controlling traffic around the schools are ignored.

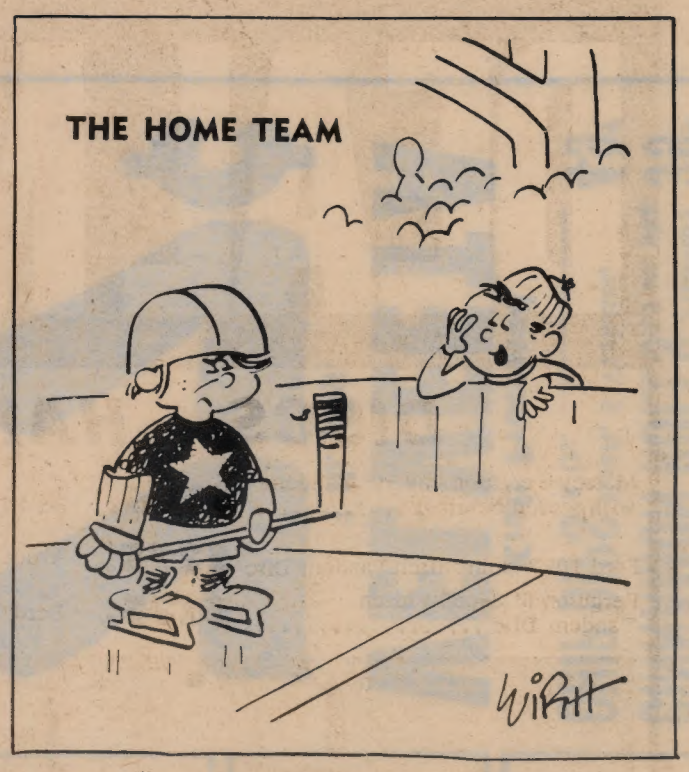
Bus drivers complain that Mr. Elliott, Principal at the Drayton Valley Elementary School does not uphold the recommended disciplinary action suggested or asked for by the drivers."

It was moved and carried that the foregoing report be accepted for information and that it be referred to Mr. M. Holman for attention.

It was moved and carried that Mr. M. Holman be directed to conduct a survey of the pupil population in the County in the Devon area and submit a report on the feasibility of building a school in that vicinity.

PLAYGROUND EQUIPMENT FOR SCHOOLS

It was moved and carried that Mr. M. Holman be directed to make a survey of playground equipment requirements at the various schools and submit a report to the next meeting.



"I see your mother thinks you're great!"

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending October 29, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	8700	4000	4700	2900	1500
Last week	9544	4326	5218	3506	873
Same Week (1969)	16208	6794	9414	2092	1658

SUMMARY

Early week deliveries were light due to adverse road conditions in the immediate Edmonton marketing area, caused by the weekend record snow storm, however, volume increased considerably as the week progressed. Offerings were approximately 80% replacement cattle and calves. Trading was active on all classes. Slaughter steers and heifers steady. Cows and bulls 50 cents higher. Replacement classes fully steady. Lambs 50 lower. Butcher hogs 50-1.00 lower.

SLAUGHTER CATTLE AND CALVES

Slaughter steers were generally steady throughout, with choice handyweight steers selling at a practical top of 28.00. One lot of strictly choice steers sold at 28.40 at mid-week. Steers over 1100 lbs. and overfinished steers were discounted 50 - 1.00 Butcher heifers sold fully steady at a top of 27.00, although good to choice kinds were scare throughout. Medium to good cows sold to an active demand with top conditioned cows bringing up to 20.50 at mid-week, however at the close good cows were selling mostly in the 19.50 to 20.00 range. The lower cow grades continued to be hard to sell although prices held about steady with last week. Bulls strong to 50 cents higher with good export bulls up to 22.50. Slaughter calves steady.

REPLACEMENT CATTLE AND CALVES

There was practically no change in the replacement trade. All classes sold to a good local and Eastern demand at fully steady prices. The bulk of replacement sales were stock calves in the 400 - 500 lb. weight range, although yearling steers and heifers were also in good supply.

SHIPMENTS

Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - 78 slaughter, 1377 feeders; West to B.C. - 162 slaughter, 48 feeders. Feeders to Southern Alberta areas 1030, Export - 10. This week 1380 stock calves were through-billed to Ontario.

LIBRARY NEWS

Several parcels of new books have arrived at the town library in the last two weeks. The library board would like it known that the purchase of many of these books was made possible by a generous donation of cash by the Elks Lodge.

These books cover a wide range of subjects. There are works of fiction, books on the care of ponies and puppies, biographies, trout fishing, adventure and mystery stories, a new anthology of Canadian poetry, and a book on credit reporting.

What has been reported about you? Are you one of the millions who has been investigated? What happens when a report has been given about the wrong man and he fails to get a job because of it?

JUNIOR HIGH SCHOOL NEWS

The Junior High's first social function of the year was a huge success. Russ Campbell, Disc Jockey, from CHED radio came to our school on Saturday evening and M.C'd a record dance. He gave out numerous records for dance contests and games and some on a "catch if you can" basis. Approximately 250 of our students were in attendance and by all reports a good time was had by all.

Because of the first storm of the year the school was closed on Tuesday and your writer observed that many students had a good time at the arena and on the toboggan hill. The teachers put the day to good use by meeting and arranging details for several coming events in the school.

The Intramural program is in full swing. Mr. Dennis Reid our physical education instructor conducts this program. A bit of background on Mr. Reid. He was educated in England and taught for three years in Jamaica, West Indies before coming to Drayton Valley. He is married and has one daughter. Mr. Reid has been with our school three years and has brought about a great improvement in our school's intraschool and interschool athletic program. The main purpose of the intramural program is to get total participation from the student body in sporting activities and events. The aim is for participation not competition and the development of recreational skills for later life. The boys have been playing soccer and still have four games to play before it is finished. The girls have been playing volleyball and have finished their tournament. Green House came out victorious.

In inter-school competition the grade seven and eight boys have played two soccer games and although both games were lost, the boys gave a good account of themselves. The grade nine boys combined with the grade tens from the high school for one soccer game against Onoway High School. The team met with defeat but put up a good battle against older, more experienced boys.

On Saturday, October 31, the Drayton Valley Junior High held their Third Annual Volleyball Tournament. As in previous years, this turned out to be a hard-fought battle, with very little difference in ability between the teams.

In the boys' competition the Drayton Valley Huskies retained the first place trophy for the third year running with hard-fought victories over Entwistle, St. Anthony's and in the final, Wildwood. Outstanding for the Huskies were Bobby Hall, Ken Cameron and Grant Gabrielson.

In the girls' competition the Drayton Valley Ookpiks went down to a strong Entwistle team on the 1st round, but came back in the consolation rounds to defeat Devon and St. Anthony's to clinch third place. Wildwood girls gained 1st place, defeating Devon, and Warburg in the final.

The Drayton Valley Cheerleaders, led by Ann Cathrea, again put on an excellent performance and must take some credit for our team's success.

FINAL STANDINGS

Boys - 1st place - Drayton Valley; 2nd place - Wildwood; and 3rd place - Entwistle.

Girls - 1st place - Wildwood; 2nd place - Warburg; and 3rd place - Drayton Valley.

Schools participating: Drayton Valley Junior High, St. Anthony's, Wildwood, Devon, Entwistle, Warburg.

Elk calves are spotted at birth and weigh up to 40 pounds.

Plan 4-H Workshop

The 4-H and Junior Forest Warden Branch, Alberta Department of Youth, has planned 4-H Clothing Club workshops throughout the province for the month of November. District Home Economists will be introducing new developments in the clothing field and offering guidelines for handling them, including fitting and altering.

Miss Lynda McCallum, Supervisor, Club Project Development, Alberta Department of Youth, will be involving leaders in discussions relating to 4-H projects.

Leaders participating in the workshops will be representing some 563 homemaking leaders in the province. They return to their home clubs to assist some of the 2052 members presently involved in the 133 4-H Home Economics Clubs.

C.W.L. Plans Joint Breakfast Meet

The C.W.L. met on Monday, November 2nd for their regular meeting with Father Lynch and ten members present. A film was viewed and some discussion followed. It was decided to have a Christmas bake sale again this year. After a short business meeting, lunch was served by Theresa Comeau and Gil Hasenclever. The next meeting will be a joint breakfast meeting with the men's club on Sunday November 29th at the hotel cafe.

Parkland Notebook

The second meeting of the Community Interaction Congress was held in the County Committee Room on Thursday, October 1st, 1970, with 13 people present representing the Department of Agriculture, F.W.U.A., Department of Social Development, F.U. and C.D.A., Department of Youth and Parkland Regional Recreation Council.

Mr. Darwin Park, District Youth Representative, was chairman for the meeting and gave an introduction and review of what has happed to date. The C.I.C. was formed because it was felt that there is a need for better understanding of services available in the community with co-operation and co-ordination of Government services. It is hoped that this organization will be able to bring different agencies and organizations together for the common purpose of getting to know what each group is doing and hopefully tying them all together to prevent over-lap and duplication.

Parkland Regional Recreation was on the "Hot Seat" for this meeting and ,Mr. Syd Moore, Superintendent, and Mrs. Lene Holgersen, Program Director, explained the services that their Department provides to the people of the County. Mr. Moore emphasized the fact that they would like to co-operate with other Government bodies in providing a better service to the community.

The Department of Social Development will be on the "Hot Seat" at the next meeting of the C.I.C., which will be on Thursday, November 5th, 1970, at 3:00 p.m. -- 5:00 p.m. at the County Committee Room with Parkland Regional Recreation chairing the meeting.

Mr. Ole Knudskov has been appointed as manager of the Devon office, which will be operated under the name, Johnson Realty and Insurance Ltd.

F.M.H.S. NEWS FLASHES

The Volleyball season commenced with an exhibition tournament played at Seba Beach on October 22 with teams from Seba Beach, Stony Plain and Drayton Valley competing.

The Warriors got off to a bad start, losing their first game to Seba by a score of 15-12. The Drayton team rallied during the next two games and won both by a score of 15-3.

The Drayton team's next match was played against Stony Plain. The Warriors won the first game 15-5, then lost the second 15-6, and made a comeback in the third game to win by a score of 15-8.

SALISBURY TOURNAMENT

On October 24 the Warrior's represented our local high school at the Salisbury Composite High School, Boys Invitational Volleyball Tournament. The sixteen teams represented were from Victoria Composite, Archbishop Jordan, Salisbury, Bonnie Doone, Westlock, Camrose, Wetaskiwin, McNalley, Barrhead, St. Albert, Lamont, Ardrossan, Paul Kane, and Drayton Valley High Schools.

The Warrior's first game was against the Westlock team. Our team won the match two straight games with scores of 15-10.

The next match was played a against Barrhead and the Warriors won the first game 15-8, lost the second 15-13, and won the third 15-1.

Drayton followed these two victories with a third over Ardrossan. We lost the first game 15-12 and won the next two 15-5.

The Warriors entered the finals, the only teams left, being Drayton and Ardrossan. The Warriors lost the first match in two straight games with scores of 15-10 and 15-8.

Drayton still had a chance to bring home the trophy because at this time both teams had lost one game.

In the final and decisive match Drayton lost the first game 15-7, but rallied during the second and won with a score of 15-10, only to lose the third game 15-13.

Although the F.M.H.S. Warriors did not capture the trophy we did bring home a very well deserved second place. All our players performed with excellence, but the spiking of Ken Dusterhoft was outstanding. Big "Dusty" fired home beautiful spikes all through the tournament and earned the respect of every opposing player who tried to recover one of them.

The Warriors travelled to Ardrossan on October 31st for a volleyball tournament played in a "round robin" fashion, that is, each team played every other team and the team with the highest number of wins took first place.

The Warriors first match was against Ardrossan and they lost the next two games 15-6 and 15-7.

Drayton won the next match against St. Albert in two straight games with scores of 15-3 and 15-4.

The third match was against Salisbury and Drayton won the first game 15-4, lost the second 15-11, and won the third 15-7.

The final match was played against Fort Saskatchewan and the Warriors lost two straight games 15-10.

The principal players were Doug Ibbotson, Larry Mattoon, Tom McGee, Ken Dusterhoft, and Larry Wall. Don Whelen, Earl Nixon, Mark Hutton, Bruce Hutton and Dan Wickland also took part in the tournament.

A great deal of promise was also shown in the serving and spiking abilities of Les Sommers who came up from the junior team.

ARDROSSAN - GIRLS

Drayton girls had a real rough time at the tournament. Although they tried their hardest, they couldn't fight back hard enough to win any of their sets. After eight fast games, they came in fifth with Ardrossan girls taking the first place trophy.

CROSS-COUNTRY

Frank Maddock is extremely proud of its cross-country team consisting of five boys (Bob Godun Vince Meraw, Zane Reinhart, David Wensley, and Xavier Coppins), who travelled to Edmonton on October 24th to represent our school at the Provincial Meet. When it was over, they were in the top forty, Zane was 36th, Vince was 12th and Bob came in 4th.

INTERAMURALS

Intramurals are going full swing at F.M.H.S. The Blitz night that was held on October 22nd was a great success. A total of about $200 worth was sold and House IV came in first, selling the most candy. We would like to thank everyone who supported our school by purchasing candy.

Let the farmer forevermore be honored in his calling, for they who labor the earth are the ch chosen people of God. --Jefferson

MOON LAKE NEWS

Mr. Howard Catt of Glasgow, Montana has been visiting at the home of his brother, Mr. and Mrs. J.C. Catt.

The Moon Lake 4-H Banquet and Awards Night was very well attended and the club would like to thank everyone who supported them in their project. To conclude the evening films were shown of former club activities by Mrs. Blanche Jensen.

Mr. and Mrs. Jay Town Sr, Mr. and Mrs. Lyle Town and Mr. and Mrs. Don Town and Jay Jr. motored to Drumheller to attend the 25th wedding anniversary of Mr. and Mrs. Ole Town. A banquet and dance was held in the Social Credit Hall in Drumheller. They report that all enjoyed the event immensely.

Norman and Alma Johnson and boys spent Sunday afternoon in Stony Plain visiting with Norman's mother who is living in the nursing home there.

Mr. and Mrs. Jay Town Sr. have returned home from Breton where they had been babysitting for their daughter, Mrs. Beatrice Block, who has been in hospital undergoing surgery.

A Hallowe'en party was held in the community hall on Saturday evening with fifty one children and thirty nine adults joining in the fun. After the spooky games were played, there were the treats. The judges then went to work judging the best costumes for which prizes were received.

Mr. and Mrs. Pat Hodgeson of Gem, Alberta are visiting friends and relatives in the district.

Norman and Alma Johnson and boys and Mr. and Mrs. Otto Hansen and family attended the 4-H banquet at Tomahawk on October 23rd. Norman presented the West Alberta Livestock Breeders Trophy on behalf of the association.

Lyle and Evelyn Town have been seen sporting a new blue ford truck.

Don't forget the bingo here on Thursday, November 5th with a jackpot of $210.00.

MAGNOLIA NEWS

Dinner guests at the Dean Strangway home on Saturday, October 24th were as follows: Mr. and Mrs. Roy Strangway; Mrs. Ethel Neilson of Bon Accord Mrs. Wilma Thinehart, Glenda, Ben, Darrel and Jolaine Bender all of Victoria B.C. and Laverne June. These folks were helping Mr. and Mrs. Strangway pack for the trip to their home in Victoria. We hope that Mr. and Mrs. Strangway will not forget the way back to Magnolia.

Nora McCracken is enjoying a few days visit from her two grand-children Hailey and Robbie Brydges, also her daughter Pat. They are staying at the McCracken home while Terry is working away from home. Bob McCracken is getting to see different parts of the country with his house moving work. This past week he was working at Blue River, B.C.

Cloth Cutters Reorganized

The re-organization meeting of the Camwood Cloth Cutters Club was held October 7th in the Camwood Community Centre. Nine girls attended and enrolled. The Leader is now Mrs. Judy Schwartz and Assistant Leader is Mrs. Irene Gillespie.

The executive is as follows: President, Karen Nixon; Vice-President, Mary Gilchrist; Secretary, Lorretta Gerwin; Treasurer, Leeann Wallen; and Club Reporter, Ethel Hutchinson.

The girls gave a vote of thanks to retired leaders and assistants.

The second meeting of the Cloth Cutters Club was held October 21st at Johnstons at 7:00 p.m. Six more girls joined to bring the enrollment to 15 girls.

Mrs. Agnes Laiss has agreed to be an assistant leader.

The various groups of girls were given an outline of this year's projects. All the girls were asked to have their materials for the meeting which will be held November 21 at 9:00 a.m. at Gillespies.

All interested people please attend.

Edges on the Figure Eight

Figure skaters are once again making their scheduled trips to the arena. The winter season is in full swing now with classes filled to capacity.

The figure skating club executive regrets that it was necessary to refuse some of the skaters who were late registering. It is impossible to accommodate any more skaters at the present time.

Miss Paula Venn and Mrs. Karen Kirkwood (formerly Karen Haynes) again are the club professionals. Amateur coaches are: Leslie Batten, Karen Machan, Janet Meteiski, Bonnie Mohn, Barb Paley, Debbie Reid, Pam Reid, Bev Simpson, and Vikki Wardlow.

One of this season's highlights will be the sub-sectional competitions to be held here in December. Figure skaters from all clubs in the northern zone, with the exception of Edmonton clubs will be competing. Advance admission tickets will be on sale for those wishing to watch some of the events.

Frosh Day was held at Seba Beach School recently and strange costumes (shown above) were the required dress for the day for new grade nine and ten students.

FALLIS NEWS

A new fashion was the scene at Seba Beach School on October 16 when grade nine and ten wore the 1971 fashions.

Later in the afternoon, Kangaroo Court was held with Helen Wolodko acting as judge while Don Congo, Marilyn Langford, Cheryl Dunsmore, Jan Mobert, Heather Ferrier, Judy Milner, and David Smith punished those who had disobeyed the rigid Frost laws.

A dance was held in the gymnasium from 9:00 - 1:00 on Friday evening which was enjoyed by all who attended.

A meeting of the Fallis 4-H Food Club was held on October 21st, to make plans for a banquet and to discuss activities for the coming season. Pat Orchison was the lucky T. Eaton Co. efficiency winner. Pat was presented with a cook-book from the T. Eaton Company of Edmonton by Club Leader, Bernie Yates.

Stella Baso (nee Stella Mashtaler) and her two children have been visiting Stella's parents, Mr. and Mrs. Mashtaler for the past week. While visiting her parents Stella drove them to Valleyview to visit Stella's mother-in-law Mrs. Baso.

Mr. Kloynski drove to Jackpine corner to sing in the Ukranian Church and also at the Horen Ukranian Church on October 25.

Mrs. Soroka is leaving for Edmonton on October 27 where she will be doing some shopping until she boards the plane on November 8th to Poland to visit her daughter and family.

Everyone enjoyed the pot-luck supper put on by Fallis Community Club on October 23rd. Thank you all for coming.

Happy birthday to Linda Berry.

Dianne Jones drove Kim and Corey Jones, Kenneth MacMillan Clifford Gunther and Darrin Phillips to be on Popcorn Playhouse at the CFRN - T.V. station, Edmonton.

A shower was held in Rexborough Hall in honor of Judy Bamber which was well attended.

Judy received many lovely gifts.

COUNTY OF PARKLAND No. 31

BLIZZARD POLICY

When weather conditions by day are such as to make possible or probable a change in routine bus schedule, it shall be the responsibility of the bus drivers to contact the Councillor or Principal of the school concerned to advise on road conditions and be advised of any impending change in bus scheduling.

When weather conditions over night have been such as to make possible or probable a change in routine bus schedule, all concerned should listen to C.J.C.A. or C.F.R.N. where, if there is any change, an official announcement will be made.

Every driver shall be responsible under blizzard conditions to see that his passengers get home safely even if this involves extra stops and further mileage.

When school is dismissed early, there will be an announcement to this effect over C.J.C.A. or C.F.R.N. so that parents may anticipate the early return of school children.

By Order of the School Committee

A. W. BOYCHUK,
Assistant Secretary-Treasurer,
County of Parkland No. 31,
Stony Plain, Alberta.

COUNTY OF PARKLAND NO. 31

NOTICE OF INTENTION TO CLOSE PORTIONS OF HIGHWAY

AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a By-law to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

All that portion of the original road allowance adjacent to the south boundary of Section Twenty-Nine (29) and the South East Quarter of Section Thirty (30), Township Fifty (50), Range Four (4) West of the Fifth Meridian, Reserving Thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock Friday, 20th day of November, A.D. 1970.

Any person who claims that his land will be injuriously affected by the passing of the said By-law and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, 20th day of November, 1970.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock a.m. on Monday, 23rd day of November, 1970 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 23rd day of November, 1970, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 22nd day of October, 1970.

O. W. SCHUSTER,
Secretary-Treasurer

MARSH WORLD

by Angus Shortt, Ducks Unlimited

HELLDIVER

Pied-billed grebes or helldivers are found in potholes, sloughs and marshes. Secretive and solitary, they rarely fly after migration. Expert swimmers and divers, they can submerge until only their head appears above water, and with barely a ripple, slip beneath the surface. Nests are floating platforms of marsh debris. Eggs are carefully covered with wet vegetation when the bird leaves the nest. Grebes feet have three toes separate, widely lobed and set far back on the body.

Legion Notes

The 1970 Poppy Campaign will get under way with Poppy sales on Friday the 6th and Saturday the 7th of November. It is hoped that as many members of the Branch and Ladies Auxiliary as possible will turn out along with Drayton Valley 733 Air Cadet Squadron members to help with the sale of the Poppies on these dates.

A Remembrance Barbeque and dance will be held Tuesday, November 10th. The barbeque from 7:00 to 9:00 p.m. and dance from 9:00 to 1:00 to the Lorenz Orchestra.

The parade and Remembrance Day service will be held Wednesday morning. The parade will fall in at approximately 10:20 a.m. The RCMP, County of Parkland Police, Ladies Auxiliary Air Cadets, Scouts, Guides, Cubs and Brownies will be joining us for this national occasion so please let's have a maximum showing of Branch members. Coffee, pop, donuts etc. will be served to participants after the parade.

On Sunday, November 22nd an all day Leadership and Development Seminar will be held at the Legion Hall. This Seminar is open to all Legion and Auxiliary members and covers duties of officers, organization, handling meetings, public relations etc. Registration will be at 9:00 a.m. and the registration fee is $2.00. This includes lunch and a Leadership and Development Manual. The lectures will be mostly handled by Provincial Command members. This course is excellent and a must for executive members and potential executive members and very informative to all members at large. Let's surprise Command with an overwhelming attendance on this occassion.

A wine and cheese tasting party has been set for November 27 from 9:00 to 12 midnight with admission tickets at $5.00 per couple inclusive.

A film on wines will be shown so come along and enjoy an evening with a difference.

The annual New Years Dance will be held December 31st to the Lorenz Orchestra. This year, if weather permits, a steak barbeque will be held before the dance, a change from the turkey and ham usually consumed at the dance. Tickets will be $6.00 per person and will include meal novelties and corsages for the ladies and fine music.

The November general meeting is tonight (Wednesday, November 4th) at 8:00 p.m.

The December general meeting will be a dinner meeting at 7:00 p.m. with a guest speaker followed by the Annual Election of offfcers. Nominations will be from the floor - those members unable to attend but willing to stand must have a letter to this effect in the hands of the Secretary available for this meeting to be elegible. Please come and use your vote, the strength of a Legion Branch is only as good as the interest shown by its membership.

It is planned to hold a joint installation of the incoming executives of the Royal Canadian Legion Branch 269 and Ladies Auxiliary followed by a social evening on Wednesday, January 6th, 1971.

"We Will Remember Them".

GIRLS GYMNASTICS CLASS CANCELLED

Girls gymnastics will be cancelled November 4th because of Awards Night being held in the Junior High School gym, so they will begin November 11 at 6:30 p.m. You may bring your registration form when you come.

MAIN STREET

A bachelor is a fellow who never makes the same mistake once.

The Homemaker

Mrs. Sheila Brown, D.H.E.

Wash-day blues? Gone are the days of beating the soil from the weekly laundry at a nearby river. It wasn't, however, until the mid-twentieth centry that anyone below wealth and high position could cease to suffer blue Monday washday, and instead do the laundry with ease any day of the week.

Today's fabrics and finishes are specially treated for easy care. New developments in laundry aids and detergents and laundry equipment are designed to lighten the job of home laundry. Homemakers have found that long established washing methods are no longer satisfactory.

"Guide to Home Laundry" is a new publication available to you from this office. It has been written to assist you in developing suitable laundry practices and to answer questions on specific problems.

Pollution caused by phosphates in detergents has been discussed and tested at great length. Detergents must contain a chemical compound to increase cleaning ability and soften the water. Phosphates have been very satisfactory for this purpose. However, in the sewage system, and the rivers, excess phosphate causes accelerated growth of algae. The extra algae make the lake or river unpleasant for swimming and boating and causes fish to die.

Nitrile or other chemical substitutes are now replacing phosphates as a means of relieving one type of pollution.

We all know that chlorine bleach shouldn't be used with an enzyme detergent or an enzyme presoaker because it inactivates the enzymes. But, did you know that you should never use chlorine bleach with other household cleaners containing ammonia or with drain cleaners or rust removers. Why? -- a poisonous gas is released.

Fabric softeners are designed to make fabrics softer, fluffier, easier to iron and to reduce static electricity. The liquid softener is added to the last rinse, it should never be added with the detergent because the action of both detergent and softener is reduced. Fabric softeners should not be used with every wash as they tend to make fabrics (eg. diapers, towels) lose their absorbancy if used constantly.

Any Questions?

Q. How do you prevent "perma press" garments from wrinkling in the wash?

A. Use either the Permanent Press cycle on your washer (hot water wash with a cool-down cycle prior to spinning dry) or a warm wash cycle to prevent wrinkling in the wash. Remove garments from the dryer as soon as the action stops.

Q. How do you remove oily stains from permanent press fabrics.

A. Sometimes they are very difficult to remove, depending on the type of fabric and the finishes which have been applied. It is important to attempt a stain removal method before laundering, because heat from the wash water or iron will set the stains. Rub liquid dish detergent into the stain and let it sit for a few minutes. Then soak the garment in an enzyme presoaking agent (Biz, Amaze, Bio-Add) or detergent containing enzymes (Drive, Tide XK) or in a solution containing a liquid cleaner such as Jim Dandy, Mr. Clean, etc.

Q. How do you overcome static electricity and clothes clinging and crackling?

A. Add fabric softener (e.g. Fleecy, Downy, etc.) to final rinse water.

Q. How do you prevent the balls of fibre of "pills" from appearing on some fabrics?

A. Some fibres pill worse than others (nylon, polyester, acrylics blends) and the problem cannot be completely eliminted. Turn the garment wrongside out before laundering and add fabric softeners to the rinse water. Brush with a stiff brush or shave with a razor to remove the pills.

For your free copy of the "Guide to Home Laundry" contact the South Edmonton office at 10426-81st Ave. (433-8060) or the Stony Plain office in the County Building (777-2231).

"I'm in a bit of trouble, here. I wonder if you fellows could use another man?"

"That's our son, Sammy, at the South Pole!"

CAHT PRESSES FOR LEGISLATION

The Alberta Branch of the Canadian Association for Humane Trapping recently held its electoral general meeting.

The organization, of which Lt. Governor MacEwan is patron, unveiled plans for the acquisition of legislation banning the leg-hold trap. CAHT hopes to have presented a Private Member's Bill abolishing the use of the leg-hold trap in favour of humane traps.

HOW TRUE!

A husband came home from work one day to find his house a mess.

"What happened?" he exclaimed to his wife.

"You're always wondering what I do all day," she said.

"Well, here it is; I didn't do it."

THANK YOU

I wish to congratulate Mr. Lloyd MacLean on his election to the Mayor's Office, and I wish to thank all those persons who voted for and supported me in the recent civic election.
